

Call for Papers

Water, Membrane, Environment & Energy Technology Expo

WM2E-2016

Student Research Symposium

16 September 2016, BITEC, Bangkok, Thailand

TechnoBiz is organizing 1st Edition of WM2E-2016 Student Research Symposium” on 16 September 2016 at Bangkok International Trade & Exhibition Center (BITEC) in Bangkok, Thailand. This symposium is co-located at 3rd Edition of WM2E-2016 (Water, Membrane, Environment & Energy Technology Expo), which will be held during 14-16 September 2016 at BITEC, Bangkok.

The student symposium is aimed to be an important platform for Graduate Students (Master/ Ph.D Students) to exchange information and publicize their research results to professional community. Both presenters and delegates are free to participate in this symposium. The symposium will be held inside the exhibition hall of WM2E-2016. All students and researchers on water, membrane, environmental and energy technologies are invited to submit proposals before 15 July 2016 in word format by email. The symposium language is ENGLISH. Each student will be given 10 minute presentation.

SYMPOSIUM FOCUS AREAS

1. Water & Wastewater Treatment
2. Membrane Technology
3. Municipal and Industrial Waste Management
4. Air Pollution Control
5. Hazardous Waste Management
6. Waste to Energy
7. Anaerobic Digestion & Biogas Technology
8. Energy Saving & Efficiency'
9. Cogeneration Technology
10. Renewable Energy Technologies

WM2E-2016 Poster Fair: All selected presenters are required to submit posters to place in the WM2E-2016 Research Poster Fair. TechnoBiz provides complimentary printing all the posters. The size of poster must be 90cm wide x 120cm height. The poster format must be PDF.
