

2019 SUMMER PROGRAM

FOR INTERNATIONAL STUDENTS

INTRODUCTION

This summer internship program is intended for engineering students at the sister institutes of National Chung-Hsing University to delve into the engineering technologies and the cultural beauty of Taiwan.

Geographically located between Japan and Philippines along the west rim of the Pacific Ocean, Taiwan is celebrated for its stunning vibrancy in industrial innovation. It is also one of the leading e-societies in the Asia-Pacific region. These economic achievements have been highly associated with a distinctive culture comprising of a wide array of Chinese and indigenous elements. To that end, the program to be held at NCHU offers a series of technical seminars and field trips.
