

We create chemistry

RECRUITMENT

EHS INTERN 2018

We are the world's leading chemical company because we offer intelligent solutions for our customers and for a sustainable future. We link and develop people with diverse talents all over the world. For you, this means a variety of ways to advance. Not only your performance but also your personality matter to us. At BASF, careers develop from opportunities.

BASF Vietnam is looking for one **EHS INTERN**, working at our factory in **Binh Duong** (12 Tu Do Boulevard, VSIP 1, Thuan An, Binh Duong).

MAIN AREAS OF RESPONSIBILITIES

- Inventory preparation: to check for the existing list of chemicals which BASF submitted to MOT and Vinachemia to ensure no missing on inventory nomination before it officially goes live by end 2018.
- Leading indicator focus 2018: to upload and maintain all newly established Responsible Care Management System documents in database and follow-up with two EB plants on Action Tracker + AIMS.

REQUIREMENTS

- Third-year or final year student of relevant majors.
- Cumulative Grade Point Average is minimum 6.5. High passion in EHS field.
- Basic English and Computer skills (MS. Office).
- Be able to work at least 3 days per week (Monday to Friday) during 6 months, starting from June 2018.

OFFER

- Allowance and 24/24 Personal Insurance will be offered.
- Company transportation will be provided to transfer from HCMC office (District 1) to Binh Duong site.
